

HELLO Fellow Seekers

Telephone Workshop - 2018: 12 Step/Big Book

You may have an interest in participating in a weekly/year-long Telephone Workshop = a precise & rigorous application of the Twelve Steps from the Big Book "Alcoholics Anonymous" to your personal life.

The purpose of these workshops is for each person to have a CHANGE of thinking, feeling, and behavior = A SPIRITUAL AWAKENING!

These telephone workshops are ONLY for those people who are NOT in geographic proximity to my two on-the-ground workshops in Palos Verdes and Culver City (7:30 – 9:00 PM) which started January 8 & 9, respectively (see web).

We currently have two Step workshops for ALL who are interested in a SPIRITUAL AWAKENING:

<u>Started</u>	<u>Day</u>	<u>Time PST= Pacific Standard Time/LA time zone</u>

Please send an email to the Administrator of the call that best fits your day/time schedule and confirm your interest in being on the Listener call.
